Commissioner for Patents

In regard to IDS Form PTO-1449 of US Application No. 09/162,685 submitted 8/30/2005, attached is a signed copy said form PTO-1449.

The examiner states for the record that reference "Copy of United Kingdom Search Report of UK Application No. GB 9713190.8" (one page) has been considered and made of record. However, said report will remain stricken from said IDS because the MPEP does not require a search report to be listed on the face of the issuing patent.
